## ***Your Guide to Family Mini Sessions***

Capturing moments of your growing family is a beautiful way to create lifelong memories. This guide will help you prepare for your mini session with valuable tips and insights to ensure that you capture the essence of your family at its best including tips on what to wear, and how to make the most of your time with the photographer.

# Hey!

I'm Emily and I love capturing creative images of authentic joy and connection. I have two children of my own and as hard as parenting sometimes is, I have to remind myself that these times aren't going to last forever and to savour them while I can! That's why I'm so passionate about helping other families document this time in their life as it truly looks. As a mum and a trained children's nurse, I have years of experience working with kids which is why my sessions are always family-led and fun. I use available light and engaging prompts to achieve natural, relaxed images which show genuine connection.

***Your family is unique and wonderful and changing day by day. Choosing to capture this time with beautiful professional photographs is something you will always be glad you did.***

These promotional mini-sessions include:

- A 30-minute family photoshoot.
- Individual professional editing and retouching of the final images.
- My session fee does not include digital images or prints. These can be purchased after you receive your viewing gallery. Prices start at £20 and there's no minimum spend.
- After your session, you'll be sent your own private online gallery containing all of your beautiful edited images. You'll then be able to view a variety of purchasing options including single image downloads, money-saving digital packages, downloading your entire gallery and/or ordering beautiful prints and products for your home!

\*This is a limited-time offer.

\*This promotion is only suitable for up to 5 family members.

\*In the event of heavy rain I will arrange another mini session date. If you are unable to make the new date, I will give you a full refund.

# FAQ

***Please fill in the brief customer contact form ahead of your session...***

## **Where does the session take place?**

You will receive the address in your booking confirmation email.

## **What happens if I'm running late?**

Please try to arrive a little early but do let me know if you are running late. I will always try to accommodate but this might not always be possible for mini-sessions.

## **What happens if I can't make it?**

This offer is only available for a limited time, it will not be possible to reschedule to another date. If the whole day of sessions needs to be rescheduled due to rain, a full refund will be made if you cannot attend the new date.

## **What should I wear?**

The most important thing in any photo session is feeling comfortable and relaxed in whatever you wear. Check out these [PINTEREST](#) tips!

## **How soon will I get my photos?**

I aim to get the final images delivered between 5-10 days after a session.

## **How many photos will I get from a shoot?**

A selection of edited images (usually around 25) is added to an online gallery. When this is ready, After your session, you'll be sent your own private online gallery containing all of your beautiful edited images. You'll then be able to view a variety of purchasing options including single image downloads, money-saving [digital packages](#), downloading your entire gallery, and/or ordering [beautiful prints and products for your home!](#)

## **Can I post my photos on social media?**

Absolutely yes! It always makes me happy to see photos I've taken shared on social media.

## **I love my photos can I leave you a glowing review?!**

My small business thrives on reviews left by kind people like you and this can be done on Google Business
